A minimalist look with design touches

It blends into any environment and fully reflects the concept of combining design and functionality, in line with the latest trends in interior design.

PRACTICALITY AND AESTHETICS COMBINED

Solutions designed and manufactured to improve efficiency. From the overall look down to technical details.

A FOCUS ON CUSTOMISATION

Clear-cut lines and functionality go hand in hand with the use of colour, which takes centre stage.

Available in all Saratoga RAL colours.

MAXIMUM HYGIENE GUARANTEED

Gaskets, Blumotion glides and a wide range of accessories to choose from are what make the CB experience unique.

LIGHTNESS AND ELEGANCE

Clean and simple lines to welcome patients and immerse them in a relaxing ambience with a contemporary style.
